

## Produkter från Lazy Girl Designs

**English:** Welcome to my page about Lazy Girl Design's products. I do not have all her products in stock but I'll be happy to order them for you. Prices may vary depending on the exchange rate etc.

The quilt below is my quilt Lazy Stars. I used the ruler Lazy Angle and the book Lazy and Lovin' It to make it.

I used the method described in the book Reversible Quilts by Sharon Pederson to put the blocks together and making it reversible, see my book page: [Books](#)

**Svenska:** Lazy Girl Designs har många fler mönster än vad som finns här på sidan. Jag kan självklart ta hem något annat som du vill ha. Priserna kan variera med dollarkurs etc.

Här finns också Lazy Angle Ruler och boken Lazy and Lovin' It som jag har använt mig av när jag gjorde kvilten Lazy Stars.
